The Box You've Outgrown
by Gem

Look past the walls
Open the drapes
Dare to peer out
And plan your escape

From the box that you are standing
So still and so meek
Dare to reach out
And have a sneak peek

They may have gone quiet
Those big plans and dreams
As they aren't in the box
So, they're scary, it seems

Your beliefs, fears, and doubts
All act as a wall
But this little box
Has gotten too small

So, bend, break, or lower
Those limiting walls
Seek, grow, and prosper
And learn from your falls

What would you do
And where could you win
If these pesky walls
Weren't holding you in

So chase your big goals
Beyond this same zone
Step out of the box
The one you've outgrown
