Hello Parents,

It is that time of year again for Parent/Teacher Conferences. As an elementary parent, you may go into our system using the following link, <https://www.myconferencetime.com/edgerton/>. This link will also be posted on our website until November 9<sup>th</sup>.

Please remember that signing up for times is on a first come first serve basis. The longer you wait the fewer times will be available. If parents are no longer together and both want to attend the conference, please coordinate that and only sign up for one conference time.

In an effort to make your parent/teacher conference time more effective and worthwhile, we are providing no cost child care in the Den for your children. There is no need to sign up, just bring them down to the Den and let the volunteers know that you are there and of any pertinent information they would need.

Since there are no MS/HS conferences these nights, we ask that you enter through the lobby or any other elementary doors. All main elementary doors will be unlocked.

Thank you to everyone and we hope this process continues to work well for all of you. If you have any troubles please call the school, 507-442-7881, and ask to speak with Shawn.

Thank you.

Mr. Buckridge
