

TAHER, INC. IS DOING

Everything we can to Serve your Children

DURING INDUSTRY-WIDE FOOD
AND DRIVER SHORTAGES

Our School District, in partnership with Taher, Inc. Food Service Management Company, is committed to serving quality, nutritious meals to students and staff. Like many other school districts, restaurants, and grocery stores across the nation, we too are experiencing supply chain issues and lack of delivery drivers.

This may result in a reduced number of entrée choices available for breakfast and lunch and even menu changes without much notice until the supply chain issues are improved.

We appreciate your patience and understanding during this time while our Dietitian and Culinary Team develop menu substitutions as needed.

Rest assured a free breakfast and lunch will be available to all students.

We encourage you to download the **Food4Life®** app to view weekly and monthly menus.

Please contact your Food Service Director with questions and, as always, thank you for allowing us to feed your children!
