Dear Parents,

New this year for fall conferences we are offering the ability for parents to schedule their child's conferences at the middle and high school level. Parents/guardians can click on the link below to schedule a specific time to meet with a specific teacher/s about their child's education. We feel by offering this option we are honoring parents time and the ability to get to conferences. If parents choose this option, they will know exactly what time they will be meeting with their child's instructors. Conferences will be 10 minutes in length and parents can choose all or some of their child's teachers. Please be respectful of your time knowing that there are others that want to meet with the instructors. If more time is needed, please visit with your child's teacher to set that up. We ask that if parents are no longer together and both want to attend the conference, please coordinate that with each other and only sign up for one conference time. Times for scheduled conferences will run from 5:30 to 7:30 on Wednesday, November 2nd and from 4:00 to 6:00 on Thursday, November 3rd. Again these times will be designated for scheduled appointments only.

If you don't know your schedule or just prefer the drop in method of conferences, you will also have that options. Those times will run from 4:00 to 5:30 on Wednesday, November 2 and from 6:00 to 7:30 on Thursday, November 3rd. We hope you enjoy this option of meeting with your child's teacher.

In an effort to make your parent/teacher conference more effective and worthwhile, we are providing no cost child care in the den for your children. There is no need to sign up just bring them to the den and let the volunteers know you are there and share any pertinent information they would need while watching your child. Thank you for making your child's education a priority. If you have any trouble scheduling, please call the school at 507-442-7881 and ask to speak with Wendy.
