RE: Distance Learning & School Meals

### **Distance Learning Extended Through May 22<sup>nd</sup>**

The Governor has officially declared that distance learning will continue for the rest of this school year. According to the directive May 1 and 4 will not be student contact days, but planning days for teachers. We will still have meals and daycare those two days. For those that have signed up for daycare and meals through the end of April, we will continue that for the rest of the year. There is no need to fill out a new survey for either one. If you no longer need daycare or meals, please call the school, 507-442-7881.

### **Meal Distribution to Change to Twice Per Week Delivery**

Meals will be delivered on Tuesdays and Fridays starting Friday, April 24. Students will receive meals for 4 days, which will include meals for Saturday and Sunday on Fridays. They will receive meals for 3 days on Tuesday. Any child age 1-18 is eligible to receive these free meals. If you are not currently signed up, please complete the online survey on the school website, [www.edgertonpublic.com](http://www.edgertonpublic.com). If you are already receiving meals, there is no need for you to do anything.

### **Spring Activities Canceled**

BROOKLYN CENTER, Minn. --- In response to Executive Order 20-41 issued today by Minnesota Gov. Tim Walz, the Minnesota State High School League, under direction of the League's Board of Directors, has declared, effective immediately, all activities and athletics that occur during the spring season have been cancelled for the 2019-2020 school year.
