## Softball Guidance and Information

### General Guidelines

General Guidelines	
Required	<ul style="list-style-type: none"> <li>• All student-athletes must be provided with a copy of the MSHSL COVID-19 Notice.</li> <li>• Athletic programs must follow the identified protocols for student-athletes or coaches who have tested positive, are experiencing symptoms consistent with a COVID-19 diagnosis or have had exposure to (close contact with) an individual who has been diagnosed with COVID-19.</li> <li>• Educate student-athletes about mask use, physical distancing, handwashing and sanitizer use, and other immune system protocols.</li> <li>• Any person who has had a fever or cold symptoms in the previous 24 hours must not be allowed to take part in workouts and should contact his or her primary care provider or other appropriate healthcare professional.</li> <li>• Pod sizes cannot exceed 25 people indoors or 50 people outdoors per pod. <ul style="list-style-type: none"> <li>○ Pods include student-athletes and managers.</li> <li>○ Coaches do not need to be included in the pod count if they remain physically distanced and masked.</li> <li>○ Pods are small groups of student-athletes always working out together. This will ensure limited exposure if someone develops an infection.</li> </ul> </li> <li>• Student-athletes who are not participating in practice or a contest must maintain a physical distance of at least 6 feet from other student-athletes. This includes those in the dugout or on the sidelines etc.</li> <li>• Activities directors and coaches are responsible for assuring that their teams maintain physical distancing, masking and other requirements.</li> </ul>
Recommendations and Considerations	<ul style="list-style-type: none"> <li>• Social activities and congregation of student-athletes outside of practice and contests should not take place.</li> <li>• Carpooling of student-athletes is discouraged. If it is necessary for students to carpool, masks are encouraged.</li> <li>• Sportsmanship should have a constant presence in all school-based athletic programs.</li> <li>• Teams are encouraged to find appropriate methods of demonstrating good sportsmanship and respect towards others within the physical distance guidance.</li> <li>• Additional care should be taken when addressing contest officials with questions or seeking interpretations. At no time, other than in the natural course of competition, should a coach or student-athlete violate the required physical distance with an official. Any coach or student-athlete who verbally interacts with an official must do so with a mask on and at a safe distance.</li> </ul>

- It is recommended that pods be smaller than the maximum size whenever possible.

## Locker Room Use

- Whenever possible it is recommended that locker rooms not be used.
- Indoor pods may be no larger than 25.
- If locker rooms are to be used:
  - Student-athletes must only enter the locker room with their designated pod (Varsity, JV, B-Squad, etc.)
  - The locker room must be completely empty prior to it being utilized by a new pod.
  - Student-athletes must maintain social distancing of 6 feet.
  - Student-athletes must wear an appropriate mask/face covering.
  - If the locker room is not large enough to provide appropriate social distancing of 6 feet for the entire pod, then the pod must be divided into smaller groups that allow proper social distancing.
  - The locker room must be sanitized after the complete pod has exited.
- If student-athletes are in distance learning they should arrive at the venue for practice dressed for practice.
- If student-athletes are in distance learning they should arrive at the venue dressed in uniform ready for competition.
- It is recommended that student-athletes shower at home after practice or competition. However, if school showers are to be used:
  - Student-athletes must maintain social distancing of 6 feet.
  - If the locker room is not large enough to provide appropriate social distancing of 6 feet for the entire pod then the pod must be divided into smaller groups that allow proper social distancing.

## Minnesota State High School League

### COVID-19 NOTICE: PLEASE READ CAREFULLY

In accordance with governmental directives, the MSHSL will offer certain activities subject to compliance with local, state, and federal laws, regulations, and guidelines. The Minnesota Department of Health, Minnesota Department of Education and the MSHSL have developed guidance and requirements related to youth sports, use of school facilities and modifications of MSHSL activities designed to keep participants safe and reduce the spread of COVID-19. Even with these measures, the MSHSL cannot guarantee that student-athletes or other individuals participating in organized athletic activities ("Participants") will not be exposed to COVID-19. Participants and their parents/legal guardians should consider the risks before participating in any MSHSL activities. It is a shared responsibility to protect everyone from COVID-19 and Participants should follow State/CDC guidelines to reduce the risk of exposure, including but not limited to the following:

- Stay home as much as possible;
- Stay at least 6 feet from other people if you are in public places;
- Avoid close contact with people who are sick;
- Wash your hands often, with soap and water. Wash for at least 20 seconds;
  - Always wash your hands after being in a public place;
  - Always wash your hands after blowing your nose, coughing, or sneezing;
  - If soap and water are not available, use hand sanitizer that is at least 60% alcohol;
- Cover your mouth and nose when you cough or sneeze. Cough or sneeze into your elbow or a tissue. Throw used tissues in the trash;
- Wear masks/face coverings that cover your nose and mouth and fit snugly against the sides of your face.

In recognizing the serious nature of the COVID-19 pandemic and the positive impact that participation in MSHSL fine arts activities and athletics has on student-athletes participants, it is imperative that student-athletes and families know and understand the following:

1. Participating in MSHSL activities is **voluntary**.
2. While participating in MSHSL activities, all laws as well as MSHSL and school rules, guidelines, and protocols related to COVID-19 must be followed.
3. Participant acknowledges the contagious nature of COVID-19, and the Participant understands that there is risk of injury and/or illness from participating in MSHSL activities, including the risk to have direct or indirect contact with individuals who have been exposed to and/or diagnosed with COVID-19.
4. Participant agrees that if he/she is exposed to, or infected by, COVID-19 during the period of participation, they will immediately cease participation and follow Minnesota Department of Health protocols for schools and activities. The MSHSL Graduated Return to Sport protocol is recommended following a diagnosis.
5. Participant has signed a separate Eligibility Statement connected to general participation in MSHSL athletics/activities and agrees that the terms of that statement are wholly incorporated into this document and that the terms of this document are incorporated into the Eligibility Statement.
