

## **Here are some frequently asked questions**

- **How do we sign up?**

**Your child will be given a sheet monthly for whatever days are needed. ASP runs from Monday-Thursday. If school lets out early, no ASP. If there is no school the next day, no ASP the day before.**

- **What is expected from your student?**

**We just ask that you talk with your child before signing them up about behavior. We expect the same rules as in school, as in ASP. Respect is key. A "Strike" policy per each week has been instilled. The 1<sup>st</sup> strike is a warning. The 2<sup>nd</sup> strike will be a note sent home or a talk with the parents. If a 3<sup>rd</sup> strike happens within that week, they will not be allowed to attend ASP the following day. We hope to have a great year, and with the parents' cooperation, we hope this will happen!**

- **Will my child be finishing homework during ASP?**

**Your child can work on any homework during our classroom time, but they will have to do this on their own! We are not expected to finish students work for the week.**

- **How do we reach you during ASP hours?**

**You can reach the After School Staff at 1-507-442-7881 EXT: 230  
You may call this line at any time, if it is during the school day, you may leave a message with the office, If you are running late, please call our classroom extension. Late fees will apply after 5:00 p.m.-Late fees are \$1.00 per minute late.**
