- **This year, the ASP classroom will be located in the Elementary library. You can enter the south doors in the new parking lot.**
- **ASP is a place for students to have a light snack, and do fun activities until parents arrive! Students will arrive once school lets out and we will meet in the library. After 3:30, we will break up into "centers". Students can play games, do a craft, puzzles, or any other activities we have planned for the day. We will have a sign out sheet for you when you pick your child up! If weather cooperates, we will try to get outdoors during this time! If you plan to pick your child up between 4:30-5:00, we will be in our room! If we are elsewhere, there will be a note on the library door.**
