Step #3

When you login as a parent you will see a welcome message and instructions to click on **Register for School**. This is where you will see all of the back to school information.

Step #4

The first page in the student registration will give you instructions on what to do next. From this page you will open all of the back to school information, policies, and handbooks. The handbooks and back to school packets should open in a new window so that you can navigate between the registration and the documents. After you have opened and read the documents you can click the **NEXT** button in the top right corner to continue with the registration.
