Message from Superintendent Buckridge regarding the Coronavirus:

Let me begin by saying how much we miss all of our students. We are concerned for their health and well-being, as well as their families. Although none of us have experienced a pandemic like this before, the Dutchmen family of students, parents, educators, and community, and all other stakeholders has quickly risen to the occasion, as usual! We would like to thank everyone for your kindness and support, especially our health professionals, truck drivers, grocery store employees, first responders and all other essential operations personnel.

As we move forward into these uncharted times together, I wanted to share some information with you that will hopefully help you stay informed.

- Distance Learning will begin Monday, March 30 and go through Thursday, April 30. May 1st and May 4th will be days for staff to prepare for students return on May 5th. This, of course, is subject to change, but that is our hope.
- Childcare and meals will still be provided during this duration. Surveys have been sent via text, email, and are posted on our website.
- Stay home measures will be implemented starting Friday, March 27, at 11:59pm, and extending through Friday, April 10.

Each Minnesota district has been asked to share information on distance learning in a district plan. Our full plan as well as information on student's schedules is available on the link at the bottom of this page.

Know that we are thinking of all our Dutchmen families during this difficult time.

Keith Buckridge
Superintendent
Edgerton Public School
